

Health, Safety & Environmental Policy Statement

At R Thornton & Co Ltd we are committed to the promotion of health and safety within our business so as to maintain a healthy workplace as a mutual objective for management and employees.

To this end we intend:-

- to comply with health and safety legislation;
- to promote health and safety as a daily business objective;
- to provide adequate control of the health and safety risks arising from our work activities;
- to consult with our employees on matters affecting their health and safety;
- to provide and maintain safe plant and equipment;
- to ensure safe handling and use of substances;
- to provide information, instruction and supervision for employees;
- to ensure all employees are competent to do their tasks, and to give them adequate training;
- to prevent accidents and cases of work-related ill health;
- to maintain safe and healthy working conditions;
- to provide adequate resources including financial to enable the above to be realised and
- to review and revise this policy as necessary at regular intervals.

The co-operation of all employees is essential to enable the company to fulfil its legal obligations and responsibilities.

It is our continuing aim to promote and maintain a high standard of safety to minimise personal injuries and to safeguard the health and safety of their employees and the public.

The responsibility for implementing this policy lies with individual Directors and management who are responsible for ensuring compliance with the policy in their own area of control.
